New Chamber of Commerce Folder Really Puts Menlo Park 'On the Map'

Want to know where you are going in Menlo Park? At last you can find out.

The long-awaited new map and brochure of the city was delivered to the chamber of commerce yesterday and distribution was begun immediately to the city hall, service stations and real estate offices where strangers to the community—or confused old-timers—may have them for the asking.

The new map, completely indexed, is right up to date, especially prepared for the chamber by cartographer C. E. Hunt. Unlike former Menlo Park maps, it shows surrounding communities and all roads giving access to the community as well as the city itself.

Prepared during the last year by the public information committee of the chamber of commerce, the map bears an illustrated description of the city. Also included is an "aerial" perspective sketch showing location of Menlo Park in relation to the entire Bay area.

Information in the brochure includes thumbnail history of the city, description of facilities such as schools, churches, transportation, recreation programs and equipment, the Linfield Oaks professional and administrative zone, the free parking plazas, the climate and population statistics.

Photographs include a cover picture of a "typical" Menlo Park home, a view of the Menlo-Atherton High School, the Burgess park swimming pool, and aerial views of the Sunset magazine building and one of the parking plazas.

Arden Residents Are Ardent on Street Naming

What is Arden?

The question came up Monday night before Menlo Park planning commissioners.

Irvin H. Fathchild of 203 Adden ? requested the planners to decide whether the two-block strip running past his door and upon which automobiles traveled should be called an "avenue" or a "road."

When he first came to Menlo Park a year ago, Fathchild explained, he bought property in Felton Gables on a "drive" named Arden. When he discovered later that some of his neighbors lived on an "avenue," he went to the city hall and checked the name; "avenue" was on the maps.

Later, Fathchild went on, he intended to buy engraved stationery; but just at that time, a petition was being circulated asking that Arden become a "road."

In order to purchase his stationery and to settle the matter once and for all, Fathchild took the bull by the horns and followed up the petition before the commission.

Planners stated that proper procedure was to recommend a street name change to the council: since 90 per cent of the Arden ? residents had signed the petition, this would be done.

IN CASE OF FIRE CALL DA 3-2404

Pre-Registration For M-A Students

All prospective Menlo-Atherton high school students who have not registered yet, are urged to do so as soon as possible by school authorities. The MAHS office is open from 8 a. m. to 4:30 p. m. every week day.

According to figures compiled by the school, present enrollment there totals 1536 students. Of these 402 are freshmen who have signed up from area elementary schools; 431 are sophomores; 398, juniors, and 305, seniors.

Motorist Uninjured In Pole Collision

No injuries resulted to Redwood City motorist Jo Ann Schreider early yesterday, when the car she was operating ran into a telphone pole on Fair Oaks lane.

According to Atherton police reports, Miss Schreider had bent over momentarily to see the time of night (2:20 a. m.) by her dash light; during that period, she hit the pole, crumpling the front of the car.

Little House Call for Bids Expected Soon

Aug. 1 has been tentatively set as the date for calling bids for the construction of Little House in Nealon park, according to Mrs. Leland Rosener Jr., spokesman for the Peninsula Volunteers, sponsors of the senior center.

Bids will probably be opened on Aug. 17, Mrs. Rosener added.

Plans for the new Little House, senior recreation and service center, were formally approved Monday night by the Menlo Park planning commission.

Since the Peninsula Volunteers have not raised the necessary building funds as rapidly as they first believed they would, Architect Kingsford Jones submitted an "alternative number one" plan to the commission.

The alternate indicated that one wing, to house offices, woodworking, crafts, arts, weaving and sewing rooms, would be built at a later date. However, the PV's and Jones requested the planning body to approve the building as a whole even though two-thirds only would be built at the outset.

FORMAL STEP

This was the first formal presentation of Little House drawings before the planners; the facility had been discussed early this year at a council meeting and also at an informal joint session of the planning and recreation commissions.

The projected senior center is to be built in the north corner of Nealon park, and is being designed with an eye toward outdoor living. Included in the plans are a patio and large lawn area to the rear, a barbeque pit and an additional recreation space are also planned for the future.

Alongside the new Little House, according to Jones' drawings, is a good-sized parking area. The interior will comprise a large meeting hall, a kitchen, library and the wing for offices and arts and crafts rooms.

Planning commissioners considered another plan Monday night. That submitted by Bernard Segulyev, 408 Willow road, for expansion and alteration to an existing market on the corner of Gilbert avenue and Willow.

The planners turned down Segulyev's request, since they felt the plan did not comply with city ordinance or with parking facility.

SIGN ORDINANCE

A report before the planning body on the pending sign ordinance indicated it awaited action from the building inspector to add structural requirements and for the city attorney to add legal requirements.

When that is done, the new ordinance would be ready for recommendation to the council.

The street name survey, planners learned, would soon be ready for them to consider. It will contain such information as ideas from the planning consultant on which thoroughfares should be called "roads," those to be called "avenues," and the like.

Ben Cottell of 25 Middlefield road appeared before the commission to request rezoning of his property, of which a portion is "professional" and the remainder "commercial."

Cottell explained that oil companies not already established in that area had come to him for use of his property as a service station site.

If a station was to be built on the front part of the land, Cottell continued, he would have to move his house to the rear of the lot, which was zoned for professional use.

Planning commissioners decided to study the matter further.

Delay Choice of:

PLANNING HEAD

Election of a new chairman of the Menlo Park Planning Commission is to be postponed until all members of the body are present, commissioners decided this week. There were two absent at Monday's meeting.

Ira M. Bonde was chosen temporary chairman for the meeting; Bonde, who was appointed to the commission about six months ago, succeeded Paul Speegle.

Oak Knoll, Fremont Construction To Start This Week

Work on the joint Oak Knoll and Fremont school building projects will begin some time this week, according to Melville J. Homfeld, superintendent of the Menlo Park Elementary School District.

Agreements between the school district and the bid-winning construction firm were signed Monday night, when the school board met with representatives of the contractor and architect Kingsford Jones.

Bids for the joint job were opened at last Thursday's special board meeting. With a quotation of $153,000, $19,000 under the board's estimated cost, the San Jose Boganich Building company was awarded the contract.

Construction will include three classrooms and toilet facilities at Oak Knoll and four classrooms, toilet facilities and paving at Fremont.

Depot Has:

A NEW COAT

The "old girl" had her face lifted this week.

Menlo Park's Southern Pacific depot has cast off her coat of mellow yellow and has donned a pert new modern outfit of pale green and rust.

And, according to station agent C. A. Coser, the MP depot will be not only the coolest one in this area, but—by golly—the handsomest! The original station, which still remains, was built around the year 1865, says Coser, while the "covered patio" part was added later.

The station agent also noted that one of the commuters with an exceptional memory said this was the first paint job the depot has had in 13 years. The "face lifting" began the latter

Mrs. Heard Quits Post With C of C

Resignation of Mrs. Bonnie Heard as secretary-manager of the Menlo Park Chamber of Commerce was accepted by the board of directors at their regular monthly meeting Tuesday morning.

It is effective tomorrow, July 24.

Chamber President Frederick B. Walker has announced that directors will hold a special meeting immediately to consider steps for hiring a new manager of the organization.

In their meeting this week, chamber directors also voted unanimous approval and support of proposals by the chamber's merchants committee. The merchants group is sponsoring a "Shopportunities" special sales event next week and is planning a "Back-to-School" program to be held in August.

The merchants also met Tuesday morning to further plans for both events.

License Law For Atherton Still Pending

The license ordinance contemplated by Atherton will come one step nearer to reality when Mayor Harry A. Mitchell confers with the mayor of Hillsborough on a similar ordinance written by the latter town.

Atherton's projected measure would bring back the revenue lost by a recent Supreme Court ruling that cities could not license contractors, such as plumbers and electricians, already licensed by the state.

Formerly, Atherton had received $25 annual fee from each of the persons in this bracket who were contracted on jobs there.

The ordinance proposed, patterned after the one in Hillsborough, another residential town with no commercial buildings, would cover anyone who does work in Atherton. Broken down into two categories, one part of the law would apply to contractors and the other, to firms delivering goods.

An estimate by City Clerk W. Howard Boren would place resulting revenue to the town as $3500 per annum.

Action on the measure was held over for further study, when Atherton town councilmen gathered Monday night at an adjourned session.

SHOWS FUTURE LITTLE HOUSE

DISPLAYING HIS SCALE MODEL of the proposed $80,000 Little House building, is Mr. A. F. Kelty. The model appeared on the Little House float at the 4th of July parade in Redwood City and will probably be used in the Little House exhibit at the San Mateo Fiesta in August. It also was submitted as Mr. Kelty's entry in the hobby division of the Little House arts and crafts exhibit.

Reports Slated for July 30:

Library Committee Now Working on Study; Officers Elected at Thursday Meeting

Members of the newly - formed committee to study Menlo Park's library needs are now collecting data to present at their next meeting, scheduled for July 30 at the city council chambers.

The committee was appointed at the last city council session by Mayor Michael L. Belangie, and is comprised of representatives of all interested groups in the community.

Jack Peak was elected library committee chairman, when the organization representatives met last Thursday. Peak was a delegate from Fremont P-TA.

OFFICERS

Other new officers who were elected included Colonel Frank Wang of Felton Gables association, vice chairman and Mrs. Betty Rogaway, Belle Haven Improvement association, secretary.

Among the questions to be answered through two weeks' research are: Does the current library set-up meet community needs? and which portion or portions of the facility could be improved?

Committee members stress the fact that their job is not to criticize—in fact, they feel the library is doing its best on the budget assigned it — but to suggest something constructive.

One of the knottiest problems facing the infant committee is, if the decision of the community is for an independent library, how will it be financed?

According to Clara Dills, county librarian, taxes from Menlo Park toward the branch facility here totalled $13,774 last year; this year's figures are not complete. Mrs. Dills compared this amount with $99,797 paid by Palo Altans during the same period for their municipal library and by the $66,700 from Redwood City residents for their independent library.

Miss Dills emphasized that the county would "go along" with anything that Menlo Park decided to do, and would help the city either way.

One of the greatest advantages for the MP facility, Mrs. Dills continued, would be the addition of a separate children's room to the rear, thus leaving the front part of the building open for reference books.

LEASE UP

The lease on the building now housing the library is up in November, noted Mrs. Dills, so that any action would have to be determined with an eye toward this.

The county pays $125 rent, according to the librarian, while the city of Menlo Park pays $25. If MP could assume overhead expenses at the branch, Mrs. Dills continued, the county could supply more personnel; however, the county budget has already gone in without specifying extra funds for the branch this year.

Besides servicing the branch library on Menlo avenue, the county department sends its Bookmobile to outlying parts of the city; its stops include Willow, Los Lomitas and Belle Haven schools, among others.

Total circulation in Menlo Park last year, said Mrs. Dills, was approximately 61,000.

When the further data on the library is gathered to be presented on July 30, there will be committee reports by the following committee chairmen named at Thursday's initial meeting:

Mrs. Kenver S. Hankland on school district survey, to study library facilities for children in both elementary and high schools here.

FINANCE

Lloyd L. Apgar, finance, to obtain figures on how the library is presently financed and how other libraries in the area are financed.

Col. Wang, county information, to get the facts regarding administration of the county library system.

Mrs. Avis M. Rapp, library facilities, to investigate other local library facilities available to MP residents.

Edwin A. Gross, library research, to study current trends in local libraries.

Library:

HAS A 'PHONE!

If you want to renew a book from the Menlo Park branch library, you can now do it by telephone.

The new facility was installed last Friday afternoon, and bears the inscription, "DA 2-8370." Either Mrs. Vera Johnson or Joan Rucker, librarians at the MP branch, will be the voices on the other end.

47 Measles Cases Reported in June For Menlo Park

Measles—48 cases of them—led the list of communicable diseases reported in Menlo Park for the month ending June 27.

Other maladies listed in the County Department of Public Health and Welfare bulletin were German measles, 5 cases; mumps, 19 cases; poliomyelitis, 1 case; scarlet fever, 5 cases and tuberculosis, 1 case.

In Atherton, there were 2 cases of German measles reported; 7 cases of measles and 3 of mumps.

Measles led also in East Palo Alto, with 20 persons inflicted with them; there were 2 cases of chicken pox; 4 of mumps; 1 of salmonellosis and 1 of whooping cough. Woodside reported 4 German measles patients.

Twenty-four cases of polio in the county have been reported to date for 1953, compared with 12 cases for the same period last year. Gamma globulin, according to the bulletin, is still available for members of a household under 30 years of age who have come into contact with the disease.

However, the department continues, supplies of the globulin are low and more blood donors are needed.

MOCKS ARE PARENTS

Mr. and Mrs. Norman Mock of 2722 Alpine road are parents of a baby girl born July 13.

Garage Here Has A Rough Saturday

The garage attached to the house at 520 Santa Margarita avenue had a "rough go of it" Saturday night.

A car operated by 29 year old Palo Alto motorist, Lindell F. Jeffers, went smashing through the rear of the garage, damaging a parked automobile and three motor scooters.

Jeffers, who has been released on $150 bail for his escapade, was treated for minor cuts at Palo Alto hospital following the accident.

The motorist, according to Menlo Park police reports, first told officers he hadn't seen the garage prior to the collision; he later changed his story, and admitted that he had applied his brakes, but couldn't stop in time.

Also, police reports say, Jeffers "flunked" the drunken drivers' test.

$2500 Garage Fire Caused by Gasoline

An estimated $2500 worth of damage was done to Fred Bellam's garage and contents thereof last week, when gasoline spilled by Bellam was ignited by a water heater pilot light.

According to the fire district report, Bellam, whose garage and residence is located at 2066 Oakley avenue, was treated for second degrees burns on the face and arms, not requiring further medical attention.

Sofa Damaged

When Menlo Park firemen answered a call early Monday to 2250 Ralmar avenue, they discovered a flame-eaten sofa.

The sofa had evidentally caught fire through careless smoking, and had been placed outside the dwelling to burn itself out. A woman some blocks away, according to Fire Chief Thomas Cuff, woke up, had heard the crackling of flames, and called the fire station.

The sofa had once been a part of furnishings occupying the dwelling occupied by John Pilipski.

MP Teacher Plans Discussed Monday

Final plans for the new teacher orientation program for the first half year and for in-service teacher training were discussed Monday, when principals and consultants for the Menlo Park Elementary School District met.

New teachers will arrive in Menlo Park on Sept. 1, according to Superintendent Melville Homfeld. The entire faculty will gather on Sept. 3 for Institute.

Along the lines of non-meeeting activity, Homfeld and his wife will host a luncheon Sept. 2 for new teachers, school administration and board of trustee officials. Various P-TA's wil entertain their school faculties for luncheon on Sept. 3.

With a Flower Stand:

Fourteen-Year-Old Entrepeneur Plans To Bring 'Quaintness' to Menlo Park

Menlo Park will be the home of the only outdoor flower stand on the Peninsula this summer.

Fourteen-year-old Roger Barr will be the proprietor; he is the son of Mr. and Mrs. Howard Barr of College avenue.

The new business is slated to be open tomorrow morning.

A two months' revokable permit was granted to Barr Monday night by the planning commission, who termed the request for a flower stand "most unusual."

Commissioners decided that since the business and license were to be temporary, the matter need not be put on the city council agenda.

Barr told the planners that his kiosk would be located within the 9-foot setback of the law offices at 620 Santa Cruz avenue. The painted boards making up the booth would be taken down every day, the youth continued, and would be stored at the Barr home for the night.

Speaking for her son, Mrs. Barr explained to the Recorder later that the young entrepeneur had formed the idea for his flower stand while visiting Los Angeles.

The new businessman, his mother went on, intends to hang out a "Gone Fishing" sign when his stock is sold out for the day.

Young Barr will enter Menlo-Atherton high school this fall; he is currently a member of Explorer Scout Troop 107.

CALLING FOR HELP

Plans are now being formulated for an appeal to the community in behalf of the Menlo Park Armed Forces center, operated by the American Womens Voluntary Services.

Reported last week was the need for volunteer help at the center—and at the adjoining AWVS Thrift Shop and at the Veterans Hospital canteen, as well—but these service units need more than volunteer workers.

They need some financial help, too.

It is a tribute to the thousands of service men served at the Menlo Park center that many residents of this city are unaware of the center's existence. Yet this facility is the only one of its sort in the entire area—including San Francisco and San Jose.

The service men themselves have helped to sustain it, and the Thrift Shop helps, too. But the fact that it has continued to operate successfully is largely due to the unceasing efforts of its guiding genius, Mrs. Mary K. "Mom" Stern and the generosity of a few individuals.

Inconspicuous as the center is, it is known and appreciated by thousands all over the country. It has been held up as a model by top brass of the Pentagon. Efforts have been made to emulate it in many places, but none have achieved the same success.

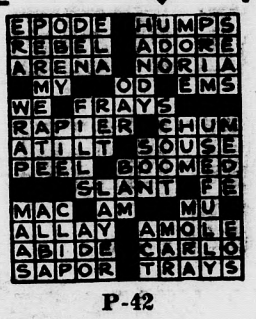

Now being compiled by the AWVS committee are statistics to help tell the center's story: how many men it has served with how many cups of coffee and how many doughnuts.

These figures, we predict, will be an eyebrow raiser for Menlo Park. But they will not be able to tell the story of friendship and helpfulness well remembered by thousands of young men a long way from home.

Menlo Park means a great deal to those men. And Menlo Park can do a great deal for them and for the center.

Your City's Business:

Notes on Upcoming MP Budget

By CHARLES P. BURGESS

The city's tentative budget for the fiscal year ending June 30, 1954, has been set for hearing next Tuesday.

As is inevitable in a rapidly growing community in a time when wage and salary scales are still rising, the budget shows a substantial increase in expenditures over last year..

What is not inevitable, however, but highly salutary, is that the total city tax rate is to be reduced from last year's 74 cents per $100 assessed valuation to 73 cents for the coming year.

This is the fifth consecutive year that the city tax rate has been reduced. Last year the rate was reduced to 74 cents from $1.12, more than compensating for the 50 per cent increase in the basis of assessed valuation made by the county assessor.

Revenues for this year (excluding gas tax projects, which do not affect the tax rate) are placed at $393.958, compared with an actual realization of $396,653, in 1952-53. Revenues are estimated on a conservative basis, as a portion depends on building activity, and we must be prepared at all times for a sharp curtailment.

The expenditure budget calls for total outlays of $414,571 compared with $334,957 actual last year.

The amount of $20,619 by which proposed expenditures exceed estimated revenue is to come from our working cash balance. This balance increased from $142,041 at July 1, 1952, to $203,746 on June 30, 1953. The anticipated balance of $183,133 contemplated by the budget for June 30, 1954, is considered adequate for our operation.

The increase in our working cash balance last year of $62,000 was due to revenues exceeding our budget estimate by almost $56,000. while expenditures were held $6500 below the budget despite a 5 per cent wage and salary increase granted last November.

Principal items accounting for the increase in revenue beyond our estimates were traffic fines up $16,000, motor vehicle license fees also up $16,000, business license fees up $7000, and building inspection fees up $5000. The reason for the motor license fee increase was our special census, without which it would have been about on the nose with our budget estimate.

The budgeted expenditures are up 21 per cent over last year's budget. Subsequent articles in this column will deal with the details of the tentative budget, giving the reasons for the proposed increase in expenditures.

Civic League Slates Meeting

"Assessing practices" will be discussed eWdnesday, Aug. 12, by O. B. Hempstead, San Mateo county assessor, when the Menlo Park Civic Interest league meets at 8 p. m. in the city council chambers.

Hempstead will describe how assessed valuation of property and the tax rate serve to determine the final tax. This meeting, open to the public, has been called by the league president, V. Babowal.

Area Residents Head Drive For 'United' Fund

Five Menlo Park and Atherton residents were present at San Mateo high school's Little theater recently, to discuss plans for a bay area federation for united funds-raising.

The meeting, at which county civic leaders gathered to approve articles of incorporation for the purpose of combining future charity drives, was called by Louis B. Lundborg of Atherton.

Besides Lundborg, those present from this area, who were named directors of the organization included: L. L. Johnston of Menlo Park and Mrs. Lundborg, Joseph Parker and John Wickett of Atherton.

Articles of incorporation for the united fund for the bay area as a whole must await approval in Sacramento. After that, the newly-appointed directors may elect officers and formulate by-laws.

Walter:

MOPS HIS BROW

Walter mopped his brow with a very, very small handkerchief when he brought his report into the office.

"It's not THAT hot outside," we said.

"Well!" Walter explained. "It's not the heat, anyway, it's the humility."

"You've got your cliches wrong," we told him.

"I do not," Walter retorted. "I've been humilified (?) Some one asked me the other day why I always talked about the weather, and never did anything about it; I didn't know that was in our agreement."

"It's not," we said. "We're happy with the weather."

Walter said he was too, and breathing a sigh of relief, hopped merrily away.

'It's Part of a Fence':

Thirteen-Foot Gate in Atherton Comes Down as Result of Council Decision

L. B. Malloy of 57 Almendral avenue is going to tear down his controversial 13-foot gate.

Atherton councilmen decided the fate of the gate at Monday's adjourned session, when the question of the structure's violation of a zoning ordinance set off animated discussion.

The main question was whether the gate could be considered as a separate structure or as part of the fence, and if it was the latter, it couldn't be more than six feet in height, as specified by the zoning measure.

PART OF FENCE

Since the additional structures in Atherton can only be built to the rear of dwelling places, councilmen were left with one decision—the ornate gate set between two tall pylons was part of a fence, and had to come down.

Also on the city fathers' agenda was an appeal by the construction firm of Richards and Ennis regarding a $50,000 performance bond for a Lindenwood subdivision.

Attorney John E. Lehman, representing the firm, appealed a former decision of the council concerning the bond put up by Richards and Ennis before the construction outfit was incorporated.

Atherton councilmen had refused to give the corporation first liability, with the partners given second liability, and last night stood pat in their decision.

An amendment to the town non-loitering law, similar to Menlo Park's, was introduced by Councilman Edward Turkington. The amendment would drop the section designating that officers transport any minor arrested under the law to Hillcrest juvenile home.

Councilmen also tentatively approved map No. 8 in the Lindenwood tract—the new building site comprises 22 lots and fronts on Marsh road—and officially changed the name of Reservoir avenue to Camino al Lago for the two-block area from Alameda de las Pulgas.

The council will meet again Monday evening at 5:30 for their regular sesion.

Study Revision To Be Published

A newly prepared Course of Study and Curriculum Guide for the elementaary schools of San Mateo county will be published in the course of this summer and early fall,

This publication constitutes the first revision of the prescribed course of study for elementary schools in this county for several years. It was prepared by a county-wide committee which included not only representatives of school districts and the county school office, but lay representation as well.

The guide, as adopted, represents the minimum requirements for all non-city elementary school districts in the county.

Cancer Society Joins Helpers For Linda Oberg

All the things that have been said about "the helping hand" and "love thy neighbor" have come to Mr. and Mrs. O. R. Oberg, 1047 Bradley way, East Palo Alto, since it has become known that their three-year-old daughter Linda is dying of leukemia.

Last Sunday their church, the Grace Lutheran church of Palo Alto, gave a concert to raise money to help them in their distress and more than 150 persons attended.

For more than a week the phone has been ringing constantly, Mrs. Oberg says, with most of the calls offering donations of blood. Mrs. Eric Davies, East Palo Alto Cancer society chairman for San Mateo county, advised Mrs. Oberg that she is entitled to help from the society, so she phoned.

The result of her phone call is that all Linda's cortesone, her drugs and conversion of blood will be furnished by the San Mateo county chapter. If Linda is able to come home from the hospital after her treatments, she will be furnished with all hospital equipment needed. This she learned from Mrs. Arthur J. Harzfeld, county officer.

"We don't really know many people here," said Mrs. Oberg, "but we surely have a great number of friends we don't even know. We wish to thank everyone for their concern and love they have showered on our little girl . . . it is almost as great as the miracle we hope may occur—that Linda will get well. If not, we know that she will be happy in Heaven and though we will miss her, we know she will be well taken care of

District Firemen Answer 109 Alarms

Menlo Park Fire District firemen answered 109 total alarms last month, putting out flames that might have damaged $499,475 total worth of property; actual loss incurred was $35.152.95.

Of the 109 alarms called in, 8 were building fires; 57 of the number were grass fires, denoting the beginning of the dangerous dry summer season. These statistics were comprised in the fire district's monthly report.

MP 'Prowler' Released On $250 Bail

Edward S. Sepulveda of Menlo Park, alleged "peeping Tom" who was arrested by Menlo Park police Friday night, has been released on $250 bail from the Redwood City county jail. He will appear before Judge Edward Ryan on July 28.

Twenty-six year old Sepulveda was apprehended by Police Chief George Potter and Inspector William Keiler in the rear of an apartment building on 705 Curtis way. Arrest resulted from a trap set by the the police and by the landlord, John A. Best; details of the trap cannot be disclosed, since it may be used again.

Chief Potter stated that he and Keiler had been taking "stake out" turns for about six months, following several calls in the Curtis way area regarding a prowler. Before the trap was devised, Potter continued, the two would be on the site for a week sometimes without the "peeping Tom's" reappearance.

No actual harm was done by the prowler, Potter said.

Arthur Fiedler To Visit Prein's

Music lovers of the Menlo Park area will have a chance to meet a nd talk with one of the nation's best-loved conductors next week.

Arthur Fiedler, permanent conductor of the Boston Pops Orchestra, will be in Joe Prein's Menlo Park Radio store, 683 Santa Cruz avenue, from 3 to 5:30 p. m. next Wednesday, July 29, Prein announced this week. Fiedler will autograph Boston Pops record ings for those wishing him to do so.

Almost as famous a fire chaser as the late Mayor Fiorello La Guardia of New York, Fiedler is honorary fire chief of cities all over the country. He is expected to be greeted here by Menlo Park Fire District Chief Thomas F. Cuff, who is expected to bestow upon him the honorary title for the Menlo Park district.

Safeway Reopens Tomorrow

Scheduled to reopen for business tomorrow is the Menlo Park Safeway store which has been closed for four weeks following a $25,000 fire that damaged the building June 27.

Safeway District Manager T. M. Costley praised efforts of the store's regular staff and of the outside contractors who rushed through the work of renovation.

Store Manager Edwin H. Mitchell will not be on hand for the reopening. He was stricken with appendicitis last Monday. He is reported doing well by Palo Alto Hospital attendants

At Reese he will learn to fly the North American T-28 and the famous TB-25 Mitchell Bomber and next December, upon successful completion of the course, will be commissioned a second lieutenant in the Air Force Reserve

A Two-Year Problem:

Sanitary District, 'Village Developers Prepare Tentative Agreement on Seepage

A proposed agreement was drafted last week between the Menlo Park Sanitary District and Barrett and Hilp regarding sewage leakage from the University Village subdivision.

The tentative agreement set the average per diem seepage from the pump line at 10,000 gallons; the present leakage is approximately 150,000 gallons a day.

Because of the seepage of ground water the developers' line, installed about two years ago, has never been accepted by the sanitary district.

The leak was discovered when the line was put in, but Barrett and Hilp requested permission to use it just the same, since postponement would set off occupation of homes

At that time, the developers gave the sanitary district a $10,000 bond guaranteeing that the leak would be stopped. Barrett and Hilp felt that given two years, they could see if natural accumulation of dirt would seal off the seepage areas.

Since natural forces haven't worked, according to Cedric Webster, superintendent of the sanitary district, the University Village developers have been questioned as to what their move will be.

Barrett and Hilp indicated that they wanted to try a new compound, which mixes with water, and is forced out into joints by hydraulic pressure. Once in the joint, the mixture swells and seals it tight.

Although the principle of the compound seems to work, Webster says, the district must find out whether the method is permanent.

These questions came up, along with one on how much ground water would still be allowed to leak into the joint, at the Monday meeting. The tentative agreement resulted, with a clause that in no more than one day should seepage exceed 15,000 gallons.

If and when the agreement is closed, sewage treatment plant employees would check the University Village line for a minimum of five years, at the end of which time, Webster concluded the district would be able to tell whether the system used to stop the leak was satisfactory.

William Imholt Now an Ensign

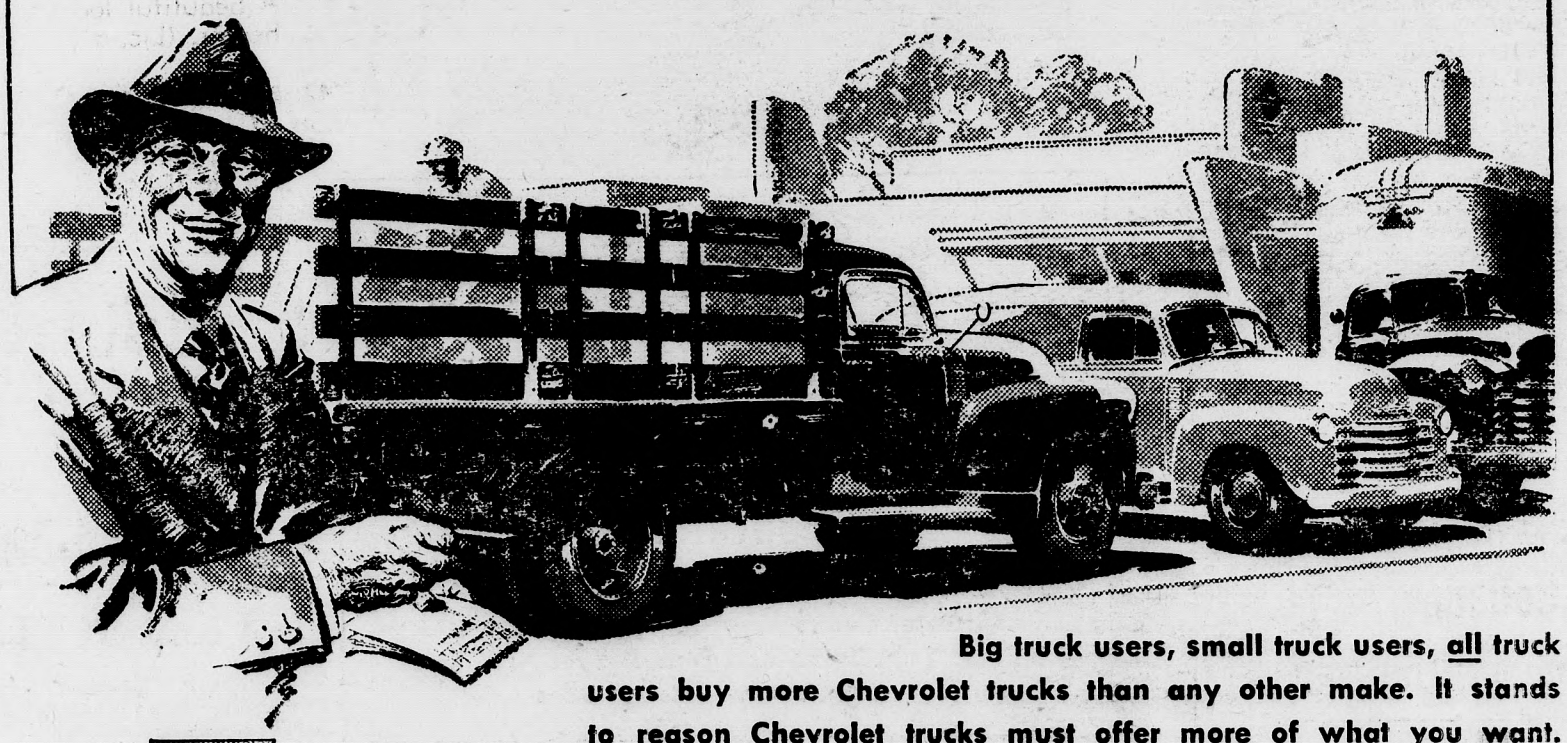

NEWPORT, R. I. (Special)— At graduation ceremonies July 10th, Rear Admiral E. B. Taylor USN, Commander Destroyer Flotilla 2, presented Ensigns' commissions to 850 students who successfully completed the four months course at the Navy's only officer candidate school here.

Among the graduates was William B. Imholt Jr., son of Mr. and Mrs. W. B. Imholt of 80 Ashfield road, and husband of the former Miss Carol A. Blackmore of 73 Ashfield road, all of Atherton.

The officers will go to combatant and non-combatant ships for assignment to shipboard duties.

It stands to reason...

Chevrolet trucks must be the best buy!

Big truck users, small truck users, all truck users buy more Chevrolet trucks than any other make. It stands to reason Chevrolet trucks must offer more of what you want.

When you stop to think about it, the best proof of outstanding value in *any* product is continued public preference. That's the way it is with Chevrolet trucks. They're the top selling trucks in America today . . . for the twelfth straight production year.

This is a mighty important fact to consider before you buy your next truck. You'll also want to consider that, while Chevrolet trucks give you more features you want, *it's the lowest-priced truck line of all!* Come in and *talk* it over with us.

Area Enthusiasts Prepare Aug. 2 Dog Exhibition

A one-day dog show and obedience trial, expected to bring some of the best purebred dogs on the Pacific coast to this area, has been scheduled for Sunday, Aug. 2, by the San Mateo Kennel club.

Anton E. Korbel of Atherton, president of the club, has stated that from 800 to 1000 dogs representing approximately 75 different pure breeds will be judged by some of the country's leading dog authorities.

JUDGE

Mrs. Geraldine Rockerfeller Dodge, for instance, will come from Giralda Farms, Madison, New Jersey, to judge a specialty show for Labrador retrievers, at which time championship points will be awarded.

The Aug. 2 show, incidentally, will mark the first time in the history of western dog shows that the Labrador Retriever club, Inc., has sanctioned a specialty show of breed.

Other animals will be grouped in the six categories recognized by the American Kennel club, of which Korbel is a board member, and including:

Sporting breeds—pointers, retrievers, setters and the like; Hounds — beagles, dachsunds, whippets; Working dogs—boxers, German shepherds, Doberman pinschers; Terriers—Terry blue, Scottish, Welsh; Toys — Pekinese, Chihuahuas; Non-sporting dogs—dalmations, bulldogs, poodles.

Mervin F. Rosenbaum, also of Atherton, heads the bench show committee with George W. Hall, obedience chairman.

Other officers of the SM Kennel club are Lynn C. Sibley, vice president; Stewart Nelson, Palo Alto, vice president, and Mervin Rosenbaum of Atherton, secretary.

SU Appointments Include 4 MP Men

Four area men are among the 5 educators to be appointed to the Stanford faculty, effective September 1, according to a release from Provost Douglas M. Whitaker.

John H. Merryman of Menlo Park has been named assistant professor of law. Meryman, who holds a JD degree from Notre Dame and an LLM degree from New York university, has taught at both Santa Clara and New York universities.

New associate professor of mathematics will be another Menlo ite, Halsey L. Royden. L. W. Lane, president of the Lane publishing company, with offices for "Sunset" magazine in Menlo Park, has been appointed consulting professor of advertising.

Formerly assistant to the superintendent of the Hillsborough School District, J. Russell Kent of Menlo Park is to take over a spot at Stanford's education department as acting assistant professor.

Red Cottage Opens on Highway

Scheduled to be open today is the Red Cottage, new Menlo Park restaurant and cocktail lounge at 1006 El Camino Real.

In the location of the former Maples', the Red Cottage has been completely remodeled and renovated.

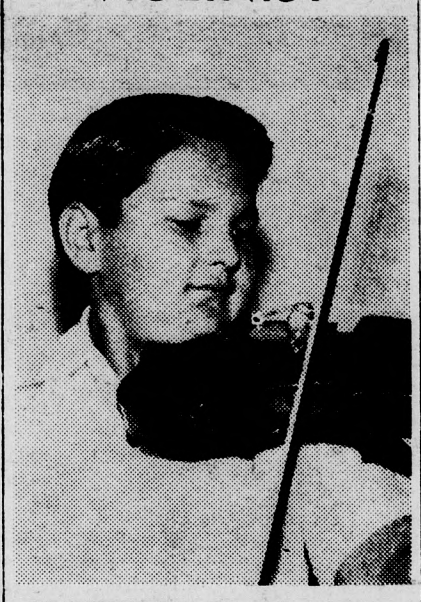

Proprietors Henry Pace and Wally Butler announced the new establishment will be open six days a week, serving luncheon and dinner. Featured will be steaks and roast beef, Pace declared. The establishment will close on Tuesdays.

BRADSHAW BABY

Mr. and Mrs. Jack Bradshaw of Stanford Village are the parents of a son born June 28 at Palo Alto hospital. The infant "weighed in" at 9 pounds, 5 ounces.

The Recorder's garden columnist, Terry Lee, is vacationing in the Midwest. Her columns will be resumed upon her return.

NFO Boy to Play In Sunday Concert

By TOM WEST

Jaime Laredo of 462-6th avenue is one of America's promising violinists. Studying under Frank Hauser, assistant concert-master of the San Francisco symphony, he is rapidly coming to the attention of the San Francisco critics.

Twelve year old Jaime, formerly of Bolivia, where his father, Eduardo Laredo, was the director of the Academy of Music and Arts, has been studying violin since he was six years old. Since then, he has played with the San Francisco Symphony orchestra under Arthur Fiedler.

On Sunday the young violinist will play a sonata program at Villa Montalvo, Saratoga. The musical event, sponsored by the Montalvo foundation, is scheduled to begin at 3 p. m.; Corrick Brown will appear at the piano.

EPA Lad Wins Contest Honors

Seventeen-year-old Fred Biagini of 2066 Capital avenue, East Palo Alto, was announced as top winner this year for the Bay area in the Ford Motor company's national industrial arts award competition.

Fred's entry consisted of a wrought iron patio set—an oblong table with glass top and four chairs.

The youth's Sequoia high school instructor, Richard Herzing, who encouraged Fred to enter the contest, will accompany him on an all-expense-paid trip to Dearborn and Detroit, Michigan, this September.

Fred's parents are Mr. and Mrs. Fred Biagnini of EPA, who have also two daughters, Lois and Juliette, and another son, Bob.

Together with other prize-winning entries, the wrought-iron set will be on display at the Henry Ford museum in Dearborn during July, and then at the Chicago Mu-

Richard Cordova Enlists in USMC

Richard J. Cordova of Menlo Park is one of two marine reservists from the First Air Delivery company, USMCR of Moffett field, who recently volunteered to serve two years on active duty with the marine corps.

Private First Class Cordova has been a student at Menlo School and College here; his mother, Mrs. Camille Cordova, makes her home in Stockton.

Jack E. Hawley of Mountain View was the other volunteer. Both reservists earned their promotions to private first class by attending 15 Wednesday training meetings at Moffett field and by passing promotion examinations.

Ask to See Permit:

Once Again the Season to Beware of Unapproved Solicitors

Summer has come and with it, according to Menlo Park Police Chief George Potter and Atherton Police Chief Leroy Hubbard, may be expected the usual seasonal rash of door-to-door salesmen, persons looking for work, and "sharp operators."

The latter category of individual should not be confused with the first two types, according to the officers.

The first two types are legitimate—and it's easy to find out if they are by asking to see their solicitor's permit. Both cities have ordinances which require persons asking business, on a door-to-door basis, to carry such identification.

But those without permits may not prove to be quite so desirable.

MAKE TEST

"Before we instituted our solici- the "tree surgeon" removed $225 worth of fronds. It developed the contract was binding—because the other man, brought along for the tor control ordinance," Chief Potter recalls," we made a test to see what percentage of those working from door to door could be expected to have had criminal records.

"Of 16 unlicensed solicitors whom we checked, we found that three of them had had previous records as sex offenders."

Too, Potter points out, persons posing as salesmen or itinerants seeking jobs may actually be "casing" a home for future robbing.

But, both chiefs agree, proper identification can be taken as a good indication that anyone calling at their home is a bona-fide door-to-door operator.

TELLS PROCEDURE

"Before we give out the permits," Chief Hubbard points out, "we take the solicitor's picture and fingerprints. These are checked with state and FBI records, and if the person applying for the permit has any criminal record at all, it can be known within a few hours and a permit will not be issued."

Chief Hubbard went on to tell of some of the ruses which have been permetrated on Atherton residents.

There was the case of the individual who was told by an itinerant that his "lawn was being killed by moss." The resident allowe dthe man to spray the lawn. A few days later, the resident noticed that his lawn was dying—which it continued to do until dead.

Then there was the case in which two men called at an Atherton home—one occupied by a resident not too well acquainted with the proclivities of palm trees.

One of the callers asked to remove dead palm frinds at the rate of 25 cents a frond. The householder agreed.

COSTS MONEY

In the course of the afternoon purpose, was a witness to the agreement to pay.

There are also on record occasions of men arriving with a "cut rate" offer to "condition" shingles on homes. The "cut rate" dealers sometimes spread on nothing more than old crankcase grease.

In the main, persons who do their work on a door-to-door basis are honest workers, the chiefs reiterate. They have to be, or they won't be issued permits.

But there are still a few knights of the road—descendants of gold brick and oil stock salesmen of another generation—who might put in an occasional appearance.

And it is with these in mind that the police warn:

"When someone comes to your door to sell you some product or service, ask to see his solicitor's permit."

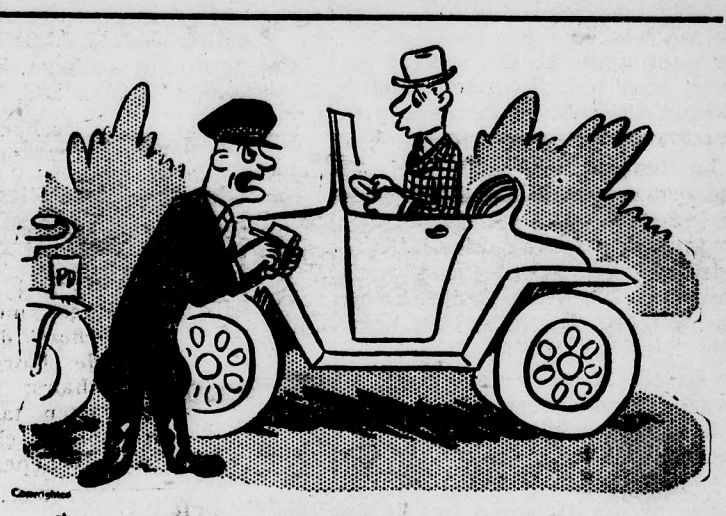

So if a peddler or solicitor comes to your door, ask for his permit. If he doesn't have one, signed by the police chief of your city, better call the police so they can check on his qualifications.

NEW SON

Mr. and Mrs. Floyd Brown of 48 Hendy place are the parents of a baby boy, who "weighed in" at 8 pounds, 13 ounces on the day of his birth, July 12.

Ten Records Set At Burgess Swim Meet on Weekend

Art Lambert, a standout Sequoia high school swimmer, came up with three firsts in three events to highlight the second annual Menlo Park Kiwanis club swimming meet at Burgess pool last Sunday.

Lambert won the 100-yard, 17 years and under, boys' freestyle in 1:00.6, a new meet record, and came back a few minutes later to win the same event for 18-year-olds in 1:02.2, also a record. Later, he won the 17 and under boys' breaststroke in 1:11.5.

In all, 10 new meet records were set and seven marks posted in events where there were no previous records.

Double winners included Joan Heter in the 10 years and under girls' 25-yard freestyle and backstroke; Leonard Edwards in the same events (50 yards) for boys 12 and under; Mary Mahaney, in the same events for girls 12 and under, and Patty Mahaney in the girls' 17 and under 100-yard freestyle and backstroke.

The results:

League Enters Fourth Tangle

The service clubs will have at it for the fourth time this season in this afternoon's Menlo-Atherton Little League play.

The Menlo Kiwanis an Menlo Lions club open today's twin bill at Little League park on Middlefield road opposite Menlo-Atherton high school, at 5 p. m., while Judd and Wright battles Shreve and Pryce sports shop in the nightcap at 6:30 p. m.

Tomorrow, the first two-thirds of the campaign will be rounded out with Lowe's facing All American Market at 5 p. m. and Seybold and Ferguson opposing Van de Sande at 6:30 p. m.

On Monday, Seybold and Ferguson oppose Judd and Wright at 5 p. m. and Lowe's and the Lions tangle at 6:30 p. m.

Tuesday—Shreve and Pryce vs. Van de Sande at 5 p. m. and Kiwanis vs. All American Market at 6:30 p. m.

Thursday's and Friday's games will be changed in order to hold the district All-Star playoffs at M-A Little League park. The tournament is slated for Thursday, Friday and Saturday.

PLAYLET PARTIES

Playlet parties will be held Aug. 5 at Willow and Belle Haven schools and on Aug. 6 at Hillview school and Nealon park. These will serve as dress rehearsals for the Aug. 7 all-playground show to be given for parents at Burgess gym.

TWO OF THE LITTLE LEAGUE STANDOUTS

SECOND HELPING—In the second of his series of sketches on Little League sparkplugs, artist Paul Brown points out that sluggin' Roger (Postie) Postlewaite packs a home-run wallop for the Menlo Lions, while Johnny Facchino, one of the American League leading hitters, is shown in his other jobs of pitching and holding down third base.

EPA Violets Swamp McCoy's

The East Palo Alto Violets had their sights set on a Burgess Gym scoring record Tuesday night, but they didn't quite make it. The Violets swamped McCoy's Home Furnishings, 106-41, which is just six points short of the gym record.

The Menlo Junkmen set the mark in February against T. C. Christy of Palo Alto, 112-28, in a Winter 'Teen-Age League game.

Tonight's Menlo Park recreation summer 'teen-age basketball league games:

EPA Violets (1-0) vs. Standard Roofing (1-0) at seven, George's Club (0-1) vs Palo Alto Vikes (0-11) at eight, Standard Construction (1-0) vs. McCoy's Home Furnishings (0-1) at nine.

In the other second round opening games Tuesday at Burgess Gym Roger Staples sank a last-second shot to give Standard Roofing a 34-32 win over George's Club and Standard Construction whitewashed the Palo Alto Vikes, 58-39.

First round play was concluded last Thursday with Standard Construction beating George's Club, 56-37, the Violets edging McCoy's, 48-45, and the Vikes upsetting Standard Roofing, 40-28.

The final first round standings: Standard Construction 4-1, EPA Violets 4-1, George's Club 3-2, Palo Alto Vikes 3-2, Standard Roofing 1-4, McCoy's Home Furnishings 0-5.

Dick Brown of Standard Construction leads the scorers with 94 points.

Les Mason of the Violets and Bill Wilkins of Standard Construction each have 89 and Joe Del Pozzo of the Violets has 88.8 Dick Farman of Standard Roofing has 81.

Les Mason led the scorers Tuesday with 34, while Ed (Bones) Crane tallied 23, "Spider" Del Pozzo 20, Deadly Tom Dunn 18, Bevo Bill Wilkins 18, "Loose as a Goose" Brown 17, and Dave Engelcke 17.

Latter Standings:

Judd & Wright Set 'American' Score Record But Shreve & Pryce Still in Lead Position

Shreve and Pryce sports shop strengthened its American league lead a bit in Menlo-Atherton Little League play the first two days of this week while the National league tie was reduced to two. The standings going into today's games:

National—Lions 7-4, Lowe's 7-4, Kiwanis 6-5, All American Market 2-9.

American — Shreve and Pryce 6-3, Van de Sande 5-5, Seybold and Ferguson 4-5, Judd and Wright 4-6.

THIS WEEK

This week's scores: Judd and Wright 15, Van de Sande 9; Shreve and Pryce 5, Seybold and Ferguson 2, in the American league, and Lions 16, All American Market 2; Lowe's 9, Kiwanis 0, in the National league.

Judd and Wright set an American league scoring record with a big 11-run first inning and then staved off a six-run last-inning Van de Sande rally for the victory. Dave Moore's three hits paced the winners while Jim Stonehouse picked up two for Van de Sande.

Shreve and Pryce tallied five times in the first on Tuesday, three of the runs were unearned, but couldn't do anything thereafter. Seybold and Ferguson got both their runs in the fifth on heads-up baserunning. Wells Richter and Jim McFarland each got two hits for the Sport Shop.

Shreve and Pryce chucker Dave Leahy was struck by a line drive in the last inning and had to be helped from the field. He may be out of action for a while.

The Lions scored in every inning, capitalizing on five hits, 15 walks and seven All American errors for their win Monday. All American got both of their runs in the final frame.

Lowe's scored nine unearned runs in the fourth inning Tuesday to shut out the Kiwanis club on Dave Lang's neat one-hitter. Lang had a no-hit, no-run game going into the sixth, but lost it on a shallow single by Greg Hassey.

Lewis Cryer got two hits for the winners.

Hitting Still 'Missing':

Menlo Motors Take Two Out of Three In Non-League Battles During Week

During the past week Menlo Motors won two out of three non-league tussles. They defeated Ayoobs sport shop of San Francisco, 3 to 1, at Menlo Park, Friday, July 17; VR-5 from Moffett Field on Saturday night at Palo Alto, 3 to 1; and lost a heart-breaking 1 to 0 game to Victory Market on Sunday night at Redwood City.

Menlo's pitching showed marked improvement in the three games over the weekend, but once again hitting was very weak, and kept the Menlo Motors' pitchers in difficulty at all times because their mates could not pick up enough runs for them.

HOME RUN

At Nealon park Friday night, Bill Roney blasted a tremendous 2-run home run, scoring Paul Apostalou ahead of him, to give Vern Grafton a 3 to 1 decision from Ayoobs Sport Shop, recognized as the top softball team in San Francisco.

Roney scored the third run also, tallying after he had reached base on a miscue. Menlo picked up but three hits in this game, with Jack Barrie garnering the other two. Grafton allowed but three hits, and was never in trouble after the first inning.

Jack Bradshaw, pitching with a severe muscle pull in his right leg, turned back the VR-5 team from Moffett Field, on Saturday night in Palo Alto; although he needed help from Vern Grafton in the seventh inning.

Grafton came on in relief, proceeding to strike out the next three batters. Menlo presented a patched-up line-up against the top team in Palo Alto, and their ranks were further reduced when Bill Roney, after having smashed a two-run single in the second inning to put Menlo ahead, had to cross the street to the Palo Alto hospital to become the father of a baby girl.

The third run Menlo picked up was scored in the sixth inning, when Jack Barrie beat out a bunt and scored on a long smash to right center by Lee Moore.

TIGHT DEFENSE

Menlo infield in this game played tight defensive ball, and three runners were flagged down on bases as the Moffett Field team endeavored to take liberties on the bases with the Menlo Motor defense.

Vern Grafton, although pitching superbly, was defeated 1 to 0 by the Victory Market of Vallejo, when a hard-hit line drive caroomed off the shoulder of right infielder, Bill Roney, and went for a home run, to give the Vallejo team a hard fought 1 to 0 victory over Menlo.

Menlo picked up but three hits, which were credited to Bill Roney, Guido Budelli and Pete Katsumas.

They had many opportunities to score, but were checked by Pitcher Albritton, with men in scoring position in almost every inning. Vallejo registered but three hits off Grafton, who was pitching in his third game in three nights.

This week Menlo tangles with the Airbase Market of Sunnyvale at Nealon Park on Friday night, and hosts the Galilo club of Berkeley at Hawes Park in Redwood City on Saturday night.

On Tuesday night they travel to Berkeley to meet the Galilo club; and oppose their arch rivals, the Peninsula Homes for the third time on Sunday, July 29, at Hawes Park.

Menlo has defeated Peninsula Homes in two State league encounters so far, and will try to make it a clean sweep against their Redwood City opponents.

Dolls, 'Zorch' Hats Next on Playground Special Event Slate

The dolls will have their day at four playgrounds next week.

Willow and Belle Haven schools on Wednesday and Nealon park and Hillview school on Thursday will be the sites for an exhibition and judging of dolls—this is for girls—and of "Zorch" hats—for the fellows.

Categories for dolls will include the smallest and the largest; the oldest and the most in one collection; the doll with the prettiest hair, the prettiest face, the prettiest dress, the nicest "voice," the most cuddlesome rag doll and rag animal, the handsomest boy doll and the most unusual doll.

For the zorchiest hats, first, second and third prizes will be offered; it is hoped, says Gayle Allinger, playground director for the Menlo Park Recreation department, that the winner's certificate will be autographed by the Zultan of Zorch himself, Red Blanchard.

The contests will be held at 3 p. m. on all four playgrounds.

Signature Homes In Softball Lead

Signature Homes of Redwood City won the first half Menlo Park Recreation softball league championship last Friday, defeating runner-up J & A Sales 7-1 at Nealon park.

Jim Cassingham twirled five-hit ball for the winners while Porkey Chaney, Lee Moore, Bob Duncan and Jess Smith were the hitting stars. Duncan batted in three runs while Moore tripled and Duncan and Paul Amaya doubled.

J & A tied the race up Wednesday by outscoring Sodini's tavern 13-5. Lou Bellomi, John Regaldo, Frank Triano and Jerry Lynch all got two hits.

Lee Megginson and Bob Shriner hit home runs for the losers while Bellomi iced his own game with a grand slam homer and Tony Giraldes tripled for J & A.

No games are to be played this week. The final first half standings:

Signature Homes 6-0, J & A Sales 5-1, Sodini's Tavern 4-2, Andy's 3-3, Hostess Shop 2-4, American Insurance 1-5, Mackall Appliance 0-6.

Menlo Park Scouts At Camp Pomponio

In a postcard written from Boy Scout camp Pomponio in La Honda Wayne Pierson of Menlo Park notes that:

"Camp opened Monday with 181 campers in five buses. There were three from Troop 104, Menlo Park and one or two from another Menlo Park troop.

"There was another swim meet, and Bea Bowen from Menlo-Atherton high school was doing fancy diving. She is in the second year of high school."

(Signed) Wayne.

Jamboree-Land

Spotted amongst the crowds of visitors to the Scout Jamboree in Santa Ana last Thursday and Friday were Executive Board Member George Angus and his wife, and Floyd Beach, scoutmaster of Troop 107 in Menlo Park.

The Niskatme Indian dancers, members of East Palo Alto Scout Troop 12, are reported to be a "hit," as they were last year. Accompanying the boys is their instructor and scoutmaster, J. J. McCann.

Two MP Marines Go on Maneuver

Two Marines from Menlo Park, Captain William S. Hook of 2199 Madrone avenue and Captain Sherwood Paulin, 35 Alamos road, will join Marine Reserve Fighter squadron 141 for the annual summer maneuvers at Marine Corps Air Station, El Toro, California.

When the two weeks maneuvers are completed, members of Squadron VMF-141 will be air lifted by Marine Corps transport planes back to the naval air station at Oakland.

Intermediate folk dancing is taught Wednesdays at 8:15 p. m. in Burgess gym, with Fred Slater as instructor.

OLYMPICS DAY

There'll be bonafide and a "bonehead" track meets this afternoon at both Nealon park and Hillview school. Starting time is 3 p. m.

The for-real track events, part of the Menlo Park Recreation department summer program, will comprise 50, 60 and 70 yard dashes for boys and girls alike.

On the other hand, there are several mock events scheduled also. Shot putting will be done with small, dry sponges; the discus will be a paper plate; an endurance race will be based on who can whistle first after eating four dry soda crackers.

Early Little League Games:

Shreve & Pryce Threatened in 'American'; Three-Way Tie Knots 'em in the 'National'

Flag races in both the Menlo-Atherton Little Leagues were tightened considerably in play late last week. Seybold and Ferguson real estate and Van de Sande clothiers both moved to within striking distance of league-leading Shreve and Pryce sports shop in the American league, while the Kiwanis and Lowe's nudged the Lions into a three-way National league tie.

The scores: Seybold and Ferguson 3, Judd and Wright 0; Van de Sande 5, Shreve and Pryce 1, in the American league and Lowe's 7, Lions 6; Kiwanis 13, All American Market 7, in the National league.

Cliff Davis and Richard Montiel, the most successful pitching team in either league the last couple of weeks, stopped Judd and Wright with two singles on Thursday.

Seybold and Ferguson got all three of their tallies in the sixth and final frame. A single and two walks loaded the bases with one out. Ward Hensill bounced a grounder down first and David Means scored ahead of the throw, but Catcher Dave Moore snapped the ball back to second-sacker Dave Copenhagen, who was covering the initial sack, to get Hensill as he rounded the bag.

ON SECOND

Tim Bruton, on second when the ball was hit, rounded third and broke for the plate. Copenhagen threw the ball into the dirt, allowing Bruton to score, and Pitcher John Facchino, attempting to pick it up, kicked it back to the backstop.

John Finegold, on first when the ball was hit, had moved to the hot corner in the previous action and now broke for home. Moore, having picked up the ball, also raced for it. Both came in head first, but Finegold won.

Van de Sande spotted Shreve and Pryce one unearned run on Pitcher Bob Kinesley's error in the first frame Friday, but the league leaders weren't even able to get a runner on third the remainder of the game.

The winners belted Dave Leahy for three hard singles in the third and fourth frames, knotting the count at one-all in the third, and, with the aid of an error and a hit batter, scoring four runs for the winning margin in the fourth. Mike Mallin and Dallas Hall led the attack.

Lowe's had to go into extra-innings to defeat the Lions Thursday as the realtors blew a 6-3 lead in the sixth. The winning margin was produced on a walk to Rich Cottrell, a stolen base by the hustling shortstop, and Walter Prime's long double to left.

LIONS COME UP

The Lions had come from behind twice, in the third and sixth, with three run innings.

Al Pryal got three hits and Bob Reinhardt, two for the losers while Roger Postlewaite was intentionally walked four times. Cottrell's two hits led Lowe's.

The Kiwanis club overcame a two-run deficit with a nine-run second inning Friday and then cut short a last inning All American Market rally for their win and a third of first place. Walks told the story.

Herbert Eldridge of Menlo Park has been named as one of the five judges to preside over the rabbit show to be held in conjunction with the 26th annual Los Angeles county fair in Pomona September 18 through October 4.

OBITUARIES

Mary Ellen Coldiron

A 9 a. m. requiem mass was held at St. Raymond's church on Friday for Mary Ellen Coldiron, Menlo Park resident who passed away the preceding Tuesday.

Survivors of the deceased include her husband, John S. Coldiron; sons Gene, William D. and Doyle Coldiron, all of Menlo Park, and Dewey A. Coldiron of Palo Alto; sister Mrs. Minnie Young, London, Kentucky; brothers Elmer and John Asher, Kimberly, Oregon, and David C. and Wilbur Asher, London, Kentucky.

Seven grandchildren also survive Mrs. Coldiron.

The funeral preceding Friday's mass was conducted from Johnston and Tinney Colonial chapel; friends had been invited to attend.

Mrs. Frieda Blum

Funeral services were held yesterday for Mrs. Frieda Blum of Atherton, who died Saturday at the age of 76.

Mrs. Blum, who lived in this area for five years, was past senior regent of the California State Women's auxiliary of Moose; she was also an honorary member of the college of regents.

Survivors of Mrs. Blum, wife of the late George W. Blum, include a son, Herbert M. Blum of San Francisco; daughters Mrs. Eleanor Dean of Atherton and Mrs. Carolyn Vogel of San Francisco, and a sister, Mrs. Julia Covert of San Francisco.

Services for the deceased were conducted by the Rev. John E. Marozik of the Church of the Redeemer, Redwood City, from the memorial chapel of Carew and English in San Francisco; interment followed at Cypress Lawn Memorial park.

Church Leader on Training Faculty

Mary Brown, director of Christian education of the Menlo Park Presbyterian church, will be a member of the faculty of the Pacific Coast Leadership Training school at the Presbyterian seminary in San Anselmo.

She will train leaders in the Junior high department for the term which began Monday and continues until the 31st. Mrs. V. A. Morley, superintendent of the primary department at the Menlo Park church, will also be a member of the faculty, training leaders in the primary department level.

Church school leaders who will be attending the training school are Mrs. Richard Stevens, Mrs. Marion Rivers, Mrs. J. R. Sweet, Mrs. William Haynes, and Miss Patty Pawell.

Baptist Youth Revival Will Begin on Sunday

The Rev. Elton Turner and Keith Jestice will begin a youth sponsored revival at Temple Baptist church on Sunday.

Services will be held at the Palo Alto Masonic temple at University and Florence avenues, Sunday through Friday, July 26-31. The week night services will begin at 8 p. m.

Two from Area Receive Dental Degrees Today

William Lee Hopkins of Menlo Park and Cedric Stephen Lussier of Atherton will receive the degree of Doctor of Dental Surgery today at graduation exercises held by the College of Physicians and Surgeons, School of Dentistry, at the Veterans memorial auditorium in San Francisco.

Degrees are to be conferred by Dr. Loren R. Chandler, vice chairman of the board of trustees and dean of the Stanford university Medical school, assisted by Dr. Frederick T. West, secretary of the board of trustees and Dr. E. Frank Inskipp, dean of the faculty.

JULY 3 BIRTHDAY

When we moved West we found out...

Gas and electricity are cheap in California

says Mrs. Marshall M. Carpenter, of Marysville, below

How P. G. and E.'s low rates save the Carpenters money

These are the appliances the Carpenters use in their home for more pleasant living—

The Carpenters' P.G. and E. bill (recent month) . . . **$14.18**

In their former home, the same amount of electricity and gas would cost **$24.56**

When the Carpenters came to California in 1952, they were pleased to find that gas and electricity cost much less here than in their former home. While most prices have doubled since 1938, P.G. and E.'s combined rates are actually *lower!* So let this bargain gas and electricity do more of *your* work . . . make your life more pleasant.

Belle Haven Fete To Equip Park For Children

Belle Haveners are extending an invitation to all area residents to come to play games, to dance, to eat, to join in their Aug. 1 fun which will raise money to equip a children' park.

The event, sponsored by the Belle Haven Mutual Improvement association, is scheduled from 10 a. m. to midnight, and will include street dancing, booths, prizes and continuous entertainment.

Through the medium of fun-for-all, the Belle Haven association is aiming to clear a minimum of $750, which will go toward the purchase of swings, slides, a miniature merry-go-round and monkey bars to outfit the three lots opposite Belle Haven school.

These lots, purchased last year by the City of Menlo Park after receipt of a petition signed by Belle Haveners, has been planted with grass and maintained by the city since. However, Menlo Park has no money in its budget set aside for playground equipment there.

BOOTHS

The Aug. 1 carnival will feature several booths, one to be manned by the MP Lions and another, by the Ravenswood Boosters. Cub Scouts, who will sell sno-cones during the day, are currently busy collecting comic books and pocket books for resale.

Members of the carnival arrangement committee include Mr. and Mrs. William Arthur, Mr. and Mrs. Thomas Mullen, Mr. and Mrs. Wallace Giguere, Mr. and Mrs. James Franklin, Mr. and Mrs. Edward Knight, Mr. and Mrs. Harry Murov, Mrs. Betty Mann, Mrs. Ruth Luther and Mrs. James Booth.

Storytelling Group Announces Continuance of Child Programs

The Storytelling series which are held each Thursday morning in the patio of the Menlo Park branch library are to be continued throughout the month of August, according to Mrs. Donald Selby of the Storytellers guild.

Originally planned to be discontinued for the summer after a six-weeks session which began on June 18, the Storytelling hour has met with such large turnouts and enthusiasm that the continuance of the programs is warranted.

Mrs. Selby reports that between 100 and 150 children averaging six years of age, have been enjoying the stories that are told each Thursday morning.

The programs begin promptly at 10:30 with the children selecting pieces of paper from the bark of the three in the Menlo Park branch library patio and the storyteller relating a story corresponding with the selected choice. Three or four stories are told in this fashion each session.

The children are told stories and kept under supervision until 11:15 a. m. during the sessions and parents are invited to bring their children to enjoy the programs.

The library is located one block south of Santa Cruz avenue. Mrs. Selby is the scheduled storyteller for this morning's session.

A special showing of the exhibits was held last Sunday, and refreshments were served visitors by Little House members.

M-A Junior Wins Majorette Awards In County Parades

Margaret Goodlive, Menlo-Atherton junior, added two recent trophies to her growing collection of majorette awards.

Last Sunday, she was awarded the second place trophy in the two and a half hour Solano county fair parade. The Sunday before, she walked away with the "Best Majorette in the Parade" trophy when she strutted to the rhythm of the famous Southern Pacific band in Sonoma.

The ambitious young lady is booked to perform the leading majorette duties with the Southern Pacific band in county fairs in Santa Rosa, Ferndale and Susanville. In all of these, she is featured with the band in both parade and concert performances.

During week days, Margaret teaches at a twirling camp at Ben Lomond lodge and prepares for the coming 49er football season in which she will be one of the official 49er majorettes.

Barbara's uncle, E. E. Bernhard ll give the bride in marriage.

Thomas' parents are Mrs. James ilfoil and the late Mr. Guilfoil San Francisco. He has one sis-, Mrs. Wilbur Wagstaff of Palo to, and one brother, Rodney ilfoil of San Francisco. Rodney ll be best man at the wedding.

Mrs. Jack Rhodes and Miss Barbara Cooper, both from San Francisco, have been selected as bridesmaids while Raleigh Wheeler, William Hehir and William Pierce will usher wedding guests to their seats.

Barbara was graduated from San Jose State college where she majored in education and was affiliated with the Alpha Phi sorority.

Thomas completed his junior year at the University of San Francisco before he joined the air force. He plans to finish his schooling upon release from the armed service. He returned last Monday from duty in Korea.

Following the wedding ceremony, a reception honoring the newlyweds will be held in the garden home of Mrs. O'Neal.

In Garden Ceremony . . .

Hendrickson Rites

Edith Gloria Hendrickson will become the bride of Frank L. Writter as marriage rites are administered Saturday afternoon by Dr. Everett Hezmall of the San Mateo Presbyterian church.

A garden ceremony will be held at the Atherton home of the bride's parents, Mr. and Mrs. Edwin W. Randle and will be set in accord with a pink and white motif.

The bride-elect is a graduate of Beverly Hills high school and of the University of California at Los Angeles where she majored in education and was affiliated with the Alpha Chi Omega and the Delta Phi Upsilon sororities. She taught for two years in the Menlo Park elementary school district.

As matron of honor for the Saturday ceremony, the bride selected Mrs. Charles E. Lewis of West Los Angeles.

Miss Beverly LaChance formerly of Menlo Park where she also taught with the elementary school district, will act as bridesmaid.

The prospective bridegroom is the son of Mr. and Mrs. Louis John Writter of Jenkintown, Pennsylvania. Mr. Writter will serve as best man.

Stanford Club Doings:

Country Dance and Supper Planned for this Saturday

HAY THERE! Mrs. Jack Tehaney (left) and Mrs. Robert Dean-Turner (right) are getting in the mood for the Stanford club country dance next Saturday. —Recorder photo

A full moon has been guaranteed to be available for the second annual Country Dance and Supper this Saturday. The affair will be held from 5:30 p. m. to 10:30 p. m. on the Dr. Russell Lee farm in the Los Trancos Woods area of Woodside.

Square dancing and "city folk" dancing will be featured at the event which is sponsored by the Stanford club of Palo Alto. Lending his services for the evening will be caller Allan Wilmunder, recent president of the Stanford Hoedowners and well-known to Los Altos folk dancers for his instruction there. Mr. Wilmunder will call the dances to tunes played by the Bill DeSoto orchestra.

According to Dr. Lee, who was recently elected president of the Stanford Alumni association, the dancing will take place in the fabulous old pavilion on his estate grounds. Originally built in Japan, the pavillion was erected as the Japanese government building at the 1915 Panama-Pacific exposition in San Francisco. It was later moved to a barge and taken to Redwood City, where it was dismantled and rebuilt on its present site.

An outdoor fireplace will be the center for a buffet supper of spaghetti, tossed green salad and garlic bread. Coffee and cakes will be served for dessert, with refreshments being served throughout the evening.

"Country fashion" dress of jeans, callicos and peasant skirts and blouses will be worn in accord with the motif.

The dance and supper, under the co-chairmanship of Robert Dean-Turner and Lee Orr, is open to Stanford club members and their guests. Reservations may be made by calling Mrs. Charles Nines, DA 3-1715.

Mrs. Jack Tehaney, chairman of the hospitality committee, has announced the following patrons and patronesses: Dr. and Mrs. Robert Meyer, Mr. and Mrs. Arthur Cameron, Mr. and Mrs. John Ackerman.

Mr. and Mrs. Elliott Farnsworth, Mr. and Mrs. Edwin Robison, Mr. and Mrs. Norman Baldwin, Mr. and Mrs. John Lohman, Major and Mrs. Josh Lang, Mr. and Mrs. Robert Statton and Mr. and Mrs. Jack Robinson.

AWVS Presents . . .

A "Preview of Fall Fashions" show will be held tomorrow evening at 8:00 at Rickey's Studio Inn in Palo Alto.

The fashion show which is a monthly affair is sponsored by the Palo Alto unit of American Women Volunteer Service organization, and helps support the service men's center in Menlo Park which is the only one of its kind in the Bay area.

The public is invited to attend the showing. No admission is charged for the affair.

'Tally-Ho' Party Being Planned By W-A Auxiliary Group

"Tally-Ho" will be the theme of an all-day horse show and party to be given at the Menlo Circus club on August 22 by the Woodside-Atherton auxiliary of the Stanford Convalescent home.

Under the general chairmanship of Mrs. Chester Dennis, the day promises to be filled with horse showing events, aquacade exhibitions, fashion displays and dinner dancing.

The day's program will be begun with a full-scale horse show starting at 1:30 p.m. and lasting until 5:30 p.m. An evening performance of the show will be held from 8 to 10 p.m. Mrs. Ernest Sultan will act as chairman for the event and will be assisted by Mrs. Harold Barnard to whom inquries concerning entries should be addressed: 1140 Hermosa Way, Menlo Park, (phone DA 2-5230).

Mrs. Hubert Weidman, chairman of the decoration committee, will transform the club into a gay scene for the evening "Tally-Ho" party, which will include an aquacade at 5 p.m. featuring Bruce Harlan, and a fashion show at 6:30 p.m.

The days' program will close with dinner and dancing to Ray Hackett's orchestra.

The Woodside-Atherton auxiliary invites the public to attend the "Tally-Ho" extravaganza and to list their entries in the horse show.

At Ravenswood Social Center

Penny Carnival Planned By Recreation Department

SHARON FORCIER SHOWS SUSAN GOMES an example of the cardboard pennies which will decorate the booths at the Ravenswood Penny Carnival. The recreational event will be held in the enclosure next to the Ravenswood Social Center, 550 Bell street, East Palo Alto, July 30 from 1 to 5 and 7 to 9 p.m.

All the pennies that all the youngsters in the Ravenswood recreation district can round up will be well-spent next Thursday, July 30 when the Ravenswood Park, Recreation and Parkway district district-wide Penny Carnival is held at the fenced-in area alongside the social center, 559 Bell street.

The carnival, junior grade, will have its counterpart, adult-wise, over in Belle Haven when the Belle Haven Mutual Improvement association holds its Carnival and Street Dance August 1 in the parking area facing Belle Haven school.

Many things have been planned for both events, promising the entire area lots of fun as July goes out and August comes in.

All sorts of games of skill have been planned for the penny carnival by Sharon Forcier, junior director, Susan Gomes, Al Raynal, "Skip" Lamberth, Pat Nolan, Ronnie Le Bue, Lee Pennel, Joan Damon, Sally Roden, Reggie Van Gleason IV, Mike and Gary Beavers, Carlton and Janet Gomes and Phoebe Martin, the planning committee. Besides the many booths they plan to serve barbecued hot dogs, ice cream, soda pop and candy. All the games will be 1 cent, the food will be regulation prices.

The Green Oaks puppetry class will present "Hansel and Gretel" with Alfreda Mouser, Carol Mouser and Melvin Mouser in the leading roles. Mrs. Laura Scott is the director.

The Penny Carnival will be held between the hours of 1 to 5 in the afternoon and 7 to 9 in the evening. It will be conducted by the Teen club, the Tween club and groups from Brentwood and Green Oaks and Kavanaugh school playgrounds.

According to "Doc" Blom, the booths will be built along the fence inside the lot adjoining the social center, with a main ticket booth in the center. One of the volley ball poles will be turned into a basketball toss and other carnival games will be put in booths that will be built, decorated and operated by the children.

Money realized from the carnival will be used by each group for its own activities — the playground children plan to buy watermelons for a feed later this summer, the older children a pool table for the social center.

Everyone is invited to attend and all are urged to come weighted down with pennies for the time of their lives.

AFTER THE FOURTH

July 5 was the date chosen for the birth of a brand new baby girl to Mr. and Mrs. John Franzman of 1280 Orange avenue. The daughter "weighed in" at 7 pounds 9 ounces.

Church Group Plans Bazaar

If all the time and effort that has been put into the coming annual St. Francis church bazaar on August 21, 22 and 23 is any indication of how successful it will be, it will be a record-breaker this year, according to the bazaar committee.

For many months, the Ladies' club has been busy sewing aprons, quilts and much other handiwork; they have sent to their friends from all over the U. S. for packages for their parcel post booth; the men of the Holy Name society have been busy preparing the booths.

John Barbour, general chairman for the group, called a meeting last week of committee chairmen and they whipped the whole thing into working shape.

Among the booths planned are those for the sharp of eye and quick of hand such as the salami booth run by Frank Siri, the knife throw, Bernard McMenamy and the ring toss, Clarence Kavanaugh.

For the children there will be a balloon dart game, with Mrs. Robert Anway in charge, the fish pond, Mrs. Harold Rieben.

Other booths include: sewing, Mrs. Rosalie Rowe; grocery, Mrs. Joseph Reginato; spinner, Jim Lambert; parcel post, Mrs. Mateo Villani; flowers and plants, Mrs. Nan Brown; dolls, Mrs. William Cinquini; cakes, Mrs. William Rohner; ham and bacon, Mrs. Thomas Payne; bingo, Mr. and Mrs. T. Gerhardt and snack bar, Mrs. Elizabeth Orth.

The bazaar will be held on the church grounds in front of St. Francis church on Euclid avenue.

Nativity Guild Doings . . .

The Nativity Guild will hold its monthly whist party tomorrow at 8:30 p. m. in the Church of the Nativity hall on Oak Grove avenue in Menlo Park.

Committee members include Mrs. M. Butera and Mrs. B. Gordon.

ON TAHOE SHORES

Relaxing on the shores of Lake Tahoe are Mr. and Mrs. Howard Hoffman of San Mateo drive. They were expected back home yesterday, according to the part of the family and the latter's "supervisor," who have remained behind in the house.

Mardy Keyes Reports Home

At their last week's meeting, members of the women's auxiliary to Menlo Park American Legion post 443 heard a report from Mardy Keyes, the high school junior whom they had co-sponsored, with the EPA unit, to Girls' State in Sacramento this year.

Mardy described more than 20 minutes' worth of facts about her recent week-long lesson in good government, and said that she had returned with two mementos — a "T"-shirt inscribed with "Girls' State, 1953" and a gold-plated pen in the shape of California.

The MAHS junior also explained that the "township" of which she was a part at "State" was "Berkeley," and the citizens thereof, the "Berkeley Belles"—to denote who they were, the girls all wore cut-outs of bells around their necks and they kept their township theme by naming streets after famed bells.

Last year's "State" delegate sponsored by the Menlo Park unit, Sue Cook, was recently installed as secretary of the Twenty-Sixth district Girls' State Alumnae association. The district organization was formed last year.

Order of Eastern Star Meets in New Building

The Menalto chapter 562, of the Order of the Eastern Star held their first meeting in the new fraternal building at 645 Roble avenue, Menlo Park, last Saturday evening.

Mrs. Earl D'Artaies, Worthy Matron and Sidney Lawrence, Worthy Patron presided over the meeting.

Among the honored guests were Mmes. Robert Caldwell, Fred Eaton and Peggy Mathews, Deputy Grand Matrons of local districts.

The next meeting will be a potluck affair for members and visitors of the Menalto chapter and will be held August 1 in the new building on Roble avenue. Attendees are invited to bring their families.

Members will be contacted by committees.

SPEAKING OF WATER

Dear Cal-Water Consumer:

Bill Nahmens

"Why should I have to pay water bills? Water should be free as the air we breath! It's part of the people's heritage!"

Did you ever hear sentiments expressed as these? We in the waterworks business hear them every once in a while when folks come in to pay their water bills. We always try to give an honest and sensible explanation; and because most people are reasonable when they know the facts, they usually admit that perhaps they had the wrong slant.

As a matter of fact, we're not selling WATER. There's water available many places in California—underneath the ground, in rivers, in lakes, in mountain springs. All you have to do is perhaps drill a well in your backyard or take some barrels to the river or to the mountains and bucket up all you need. Of course, with the well you'll either have to pump up the "free" water by hand or provide some kind of power. Or after you've filled your barrels, you'll have to haul them back home. And in the majority of the places when you get the "free" water, you'd better boil it to be safe and possibly avoid doctor bills.

So, by and large, although water is free to all, it isn't always handy when you need it nor is it always safe. That's where we waterworks people come into the picture. We determine the best available source of water; take over the job of collecting or purchasing it; transport it in mains from wells or reservoirs; and, guarding its purity, make sure that we have plenty of good, safe water on tap for your consumption 24 hours a day, 365 days out of the year.

The Bible speaks of "drawers of water." Well I guess that's what we are. We "draw" the water and "carry" it to your home or place of business. For that "drawing and carrying," plus purification, you folks get a monthly bill. You're paying for the hundreds of complicated jobs we perform so that you can always have good water when you need it.

Sincerely yours,

Bill Nahmens

Bobbie Nichols Weds

Lovely, blonde Barbara (Bobbie) Mae Nichols became the bride of Robert Geoffrey Dolton as marriage vows were repeated before Dr. George T. Peters at the First Presbyterian church in Burlingame last Saturday afternoon.

Escorted by her father, Edward R. Nichols of Menlo Park, Bobbie walked down the center aisle in a white lace wedding gown with a full bouffant skirt and long brush train.

A tiny lace cap with pearl beading held a short face veil and long train veil in place. The gown had a bodice of lace basque and long sleeves which curved to a point over the hands. She held a bridal bouquet of lilies of the valley, white bouvardia and white butter fly orchids.

ATTENDANTS

Seven-year-old Patti Pardini acted as flower girl for the ceremony. The six bridesmaids were dressed in ballerina length pale yellow gowns and carried bouquets of tiny yellow rosebuds.

In the bridesmaid procession were Miss Barbara Jean Stewart, Miss Barbara Andreson, Miss Susan Clancy, Miss Betty Herr, Miss Nancy Farrel, and Mrs. Clifford Smith Jr.

Bobbie's sister, Alberta, took the position of maid of honor and wore a gown similar to the bridesmaids' dresses.

The benedict's brother, Theodore, acted as best man.

Five-year-old Donald Pardini was chosen as ring bearer for the double ring ceremony.

Serving as ushers were Kenneth E. Lewis, Brooks Cowgill, Robert C. Taylor, Robert Cathcart, Richard Mercer and Peter E. Sylvester Jr.

FAMILY

Mrs. Nichols wore a suit of blue silk which was contrasted by a corsage of white orchids. The frame neckline of the suit was edged with beading of the same coloh of the suit.

Witnessing the marriage rites of their granddaughter were Mrs. Nichols' parents, Mr. and Mrs. Albert L. Cloke of Menlo Park, and Mrs. Florence MacClaren Riggs of San Francisco, Bobbie's paternal grandmother.

The bridegroom's parents are Mr. and Mrs. William E. Dolton of Hillsborough. Mrs. Dolton's dress was of dusty pink shantung, with an embroidered and beaded bodice and a bolero shrug jacket of the same fabric. A pale pink orchid corsage blended with the dress.

Mr. and Mrs. Irving J. Mitchell of San Marino were also present to see their grandson claim Bobbie as his bride.

RECEPTION

A garden reception held at the home of Mr. and Mrs. Cyril Magnin of Hillsborough was attended by 300 guests.

A four-tier wedding cake topped with a miniature bride and bridegroom was cut by the newlyweds, and refreshments were served to the guests by Dorothy Derr.

The bridal table was decorated by white and yellow leis. Music was supplied by a Hawaiian trio carrying over the motif to the honeymoon site.

As her going-away outfit, Bobbie donned a two-piece belted iridescent green wool suit with tiny rhinestone buttons and navy accessories. She also wore a corsage of white butterfly orchids.

The new Mr. and Mrs. Robert G. Dolton boarded a plane for their honeymoon flight to Hawaii for a two weeks' stay in the Royal Hawaiian hotel before returning to this area where they will set up housekeeping in a Palo Alto apartment.

'Flea Market' Closing Soon

The Allied Arts Guild, Menlo Park, is sponsoring their annual shopping week called the "Flea Market." The market will be open for the remainder of this week and is located in the gardens bordering the contemporary shop on the Allied Arts Guild grounds.

Members of the Woodside-Atherton Junior Auxiliary to the Stanford Convalescent Home who staff and manage the shops, are working hard on these last few days of the fifth annual event.

Patterned on the famous Flea Market in Paris, all proceeds from the affair will go to benefit the Stanford Convalescent home.

The public is invited to shop at the market from 10 a. m. to 5:30 p. m.

Volunteer workers of the Woodside - Atherton unit will serve customers who can take this opportunity to shop in July for Christmas gifts.

Menlo Park Student Receives Study Grant

Janusz Zawodny of Menlo Park is one of four Stanford graduate students in political science who have received grants for study in the United States and abroad during the coming academic year.

Zawodny, a native of Warsaw, will do his research in the East and at Stanford under a grant from the Social Science Research council. The graduate student attended the University of Warsaw, the University of Rome and the London school of Foreign Trade.

Latest addition to the afmily of Mr. and Mrs. Adrian Hatfield, 274 Leland avenue, is a new little girl born July 2 at Sequoia hospital in Redwood City.

Little House:

Beloved Music Heard Today

Recordings of George Gershwin's "American in Paris" will highlight today's 2:15 p. m. program at Little House, according to the programming chairman, Robert Collyer. The selections will be played by the New York Philharmonic.

Also on the agenda will be selections of Stephen Foster, sung by Richard Crooks, tenor; the recordings have been loaned to Little House by the Stanford department of music library.

* * * *

Friday will see the 1:30 p. m. craft class and knitting and crocheting section, as well as a bridge and canasta party at 7 p. m.

On Tuesday, John J. LaPierre will conduct his water class for beginners at 1:30 p. m.; also at 1:30, the sewing class will meet. An evening activity is slated for 7 p. m.

The pot luck luncheon will take place at 12:15 p. m. on Wednesday, to be followed by card games.

* * * *

Little House, sponsored by the Peninsula Volunteers, Inc., is located at 930 Santa Cruz avenue; open to all persons more than 50 years of age, further information on the facility may be had by calling DA 3-1787.

NEW 'VILLAGER'

A brand new baby boy, born last week to Mr. and Mrs. Douglas Ulmer, is one of the most recent additions to the population of Stanford Village.

BRYANTS HAVE SON

Mr. and Mrs. Melvin Bryant of 1021 Oakland avenue are the parents of a son born July 5 at Palo Alto hospital.

TEENAGE TALK . . . .

By JO BOOTH

DA 3-1909

Hi! News, news, and more news! This week's doin's were gathered with the help of last week's "junior newshawks," so off we go!

* * * *

Got another letter from **Melinda!** As of now, she is in Mount Vernon, Washington, staying with relatives. She reports that she got there within a day and a half, driving like mad, and that it's much cooler. Also, a big hello to everyone!

* * * *

As of now, I will be up at Pillsbury lake for my vacation. However, the column must and will go on! So after this Monday, call **Melinda** for the news!

* * * *

Parties, vacations, and jobs! That's what this week's news is all about. "Junior newshawks" for this week are **Cathy Ardizzoia, Sally Seaver, Mary Swift, Karey Pedersen, Connie Stelmach, Margaret Roehr** and **Marcia Davidove.**

* * * *

Let's start this thing out with a party! **Bob Hubbs,** assisted by **Connie Stelmach,** had a party at his house. Beginning at 8 p. m., the guests stayed for dancing, food (some of **Mrs. Hubbs'** wonderful peach shortcake!), and singing. The guests included **Barbara Long, Ron Collingham, Wes Day, Marion Cadigan, Patti Bogue, Dick Girard, Nancy Shutz, Phyllis Newhouse, Georgia Lee Gayer, Peter James, Bill Pahland, Ralph Choplin, Dave Hansen, Harry Snyder, Stan Bowman, Paul Feiten, Ricky Davidson, Audrey Rhoades** and **Dick Norbut.** A feature of the evening was novelty dancing, including polkas and the Charleston.

* * * *

Marcia Davidove and her mother went to Los Angeles where they saw all the sights, among them Knott's Berry Farm, a reconstructed ghost town.

* * * *

The opposite end of California —the Sierras—provided the vacation spot for the **Grindles** and daughter, **Teddy.** They went to their cabin, Douglas resort. The **Foleys,** with their daughter **Linda,** went to Laguna Beach.

* * * *

Bill Christy had a party, which featured a barbecued dinner, dancing and games. Among the guests were **Sally Flanagan, Jim Collins, Ann Archibald, Bill Russ, Sanny Loofbourow, Gary Allen, Sue Stolp, Berkeley Johnston, Pat Kelly, Jim Jervis** and **Betty Ann Theison.**

Received — one postcard from **Jackie Pratt!** Now in Washington, she says it's lovely, and she's having a wonderful time!

Beth Rahe is off in Richmond for a short visit with her aunt and uncle.

HANES HAVE BABY

Mr. and Mrs. James Hanes of 53 Arrowhead lane are the parents of a new baby boy born July 6 at Sequoia hospital in Redwood City.

LaBERGES WELCOME SON

Mr. and Mrs. David LaBerge of Stanford Village on July 4 welcomed a son, weighing 6 pounds 13 ounces, at Palo Alto hospital.

NDGW Install New Officers

The installation of new officers for the Menlo Park parlor, Native Daughters of the Golden West, will take place tomorrow night at 8 p. m. in Central school auditorium. Mrs. Frank Diehl of San Bruno, deputy grand president, will conduct the ceremonies.

Installation rites are open to the public, according to Native Daughter officials, and especially welcome will be prospective members of the organization (membership requires birth in California and proof of this).

The first thing planned by the to-be-installed officers is a card party, also open to the public, a week from tomorrow, July 31, at 8 p. m. in the yellow room of the Menlo Park civic center building.

Committeewomen working on the affair include Mrs. Louise Murray and Mrs. John Grass, tickets; Mrs. Murray, prizes; Mrs. Walter Mattson, publicity and posters; Mrs. A. B. Rogers, Mrs. William Dwyer and Mrs. Donald Smith, refreshments and arrangements.

Also on the list of things for card party participants, besides many prizes donated by local merchants, is a box of groceries to go to one of the players.

Local Family Spends Vacation Working

With a thought towards further vacations, the Jim Gowdy family of Atherton recently spent a week at Donner lake helping to build a cabin that will be used as a vacation site in future years.

Jim and Mary Gowdy and their three children, Greig, 15, Gayle, 10 and Grant, 4½ joined family friends at the vacation site on the west end of the lake where all worked together in getting the roof on the cabin before the snows.

Sidelights of the trip were taken to Eagle Falls camping grounds to visit with vacationing friends and witnessing outboard motor races on the lake.

Housekeeping Short-Cuts

By CAROL HAYDEN

Who doesn't dread the sight of a basket of ironing on these hot July days? Wilma Sherrin, mother of three boys, has a solution to the sizzling job. She sets the alarm much earlier than usual, arises with the birds and before her family, while the iron is heating, puts on a quick pot of coffee and tackles the basket of ironing with much more vigor than she would possess if she waited until after the morning work was done and mercury had risen.

She says she can accomplish more in those early hours than she could in twice as long during the day with all the interruptions. She doesn't miss the sleep and says it is well worth the effort when she sees the ironing practically completed when normally she would just be starting the day.

EVENING MEAL

Wilma will also prepare as much of the evening meal as possible in the morning (she doesn't have to get up early for this). She will prepare dishes that only have to be popped into the oven or on top of the stove for quick heating, make a molded salad which her family loves after a hot day, fix her dessert and be well on the way to relief from the ordeal of slaving over a hot stove during that part of the day when she would rather be out on the patio or playing with the children.

Have you ever had a painting job and dreaded the thoughts of starting the project because of the mess and the bother of preparing for it and the cleaning up afterwards?

PAINLESS

Mrs. Myrtle Logan has a painless way of handling an otherwise messy job. She has just repainted the woodwork in her kitchen. It took her about a week to complete the job but it was not much more trouble than washing the dishes or cleaning up after a meal. The family was hardly aware of what was going on. She would first wash one door, usually after the breakfast dishes in the morning, and that evening give it a coat of paint. The next day another door or cupboard and so on.

She would wrap the brush tightly in aluminum foil without even cleaning it and it would stay moist and soft for several days. She found that by not making a huge project out of it, she didn't get tired and try to hurry through and consequently did a much neater job. The paint was always dry by morning and no worry about keeping little hands from touching wet paint or being careful herself while her kitchen work continued.

PICKING UP

Training children to keep toys and clothing picked up and in order creates a problem in most homes. Here's one mother that has made her children more conscious of tidiness and the value of money.

Mrs. Marge Thomas of Menlo Park is the mother of two boys and one girl, ages 4, 6 and 8. She keeps a loot box where she deposits all those articles that weren't in their proper places after the daily inspection tour of their rooms. She charges them one penny each to regain their possessions. At first, she states, the box was full and the children's allowance went mostly to regain their property.

WHAT'S WHAT

They soon caught on when they saw that it was easier to put shoes in their proper places, toys and books on the shelf, than it was to pay out real money to have something to wear or to get back a favorite toy.

There were times when a child would decide that he didn't want whatever it was that happened to be in the box which worked out well to sort out those things that were really wanted or victims of the garbage.

Today was Brownie day at our house. We had Brownies washing dishes, Brownies making beds and dusting, Brownies washing windows and emptying baskets. The Bad Brownies had come during the night and put little hand prints on the windows, fingermarks on the woodwork, left pajamas and slippers on the floor and color crayons all over the place.

RECRUITED

Brownies number one and number two were recruited for the job of repairing the havoc after the promise of a surprise. Before long another little Brownie appeared at the door and was quickly dubbed number three. The work flew. Soon we had more Brownies, number four and number five. It quickly became obvious that Mommie Brownie do the supervising.

What a good job even the smallest little girl could do when it came to washing dishes. When we were all through the beds were all made ,the dishes were done, the windows sparkled and even the rugs had had a good vacuuming. The Brownies were all so proud of themselves and I was proud of them.

They were all more than pleased with the "surprise" which was a quick and simple tall cool glass of iced orange juice and cookies with a shiny dime beside each glass that was especially for the "ice cream man."

W.F Coopers Return During Week of Parties and Activities

By PROXY

We welcome home 20-year Athertonians, **Mr. and Mrs. W. F. Cooper** who have returned to their home at 276 Atherton avenue after a five-year "visit" to San Francisco.

During their stay in San Francisco, the Coopers kept in touch with the doings and activities of their home town, they said.

Mr. Cooper recently retired from the executive staff of a company in San Francisco and released from commuting difficulties, the couple have returned to resume their residency.

* * * *

A painful coincidence occurred in the **Frank Hooper family** last week. Mrs. Hooper accidentally stepped on a broken bottle last Tuesday and cut her foot so badly that 10 stitches had to be taken. A couple of days later, Mr. Hooper broke his ankle. Both Mr. and Mrs. Hooper have been going about their business and social activities on crutches.

Mrs. Marvin Woods gave a cocktail party in honor of her husband's birthday last Saturday evening. Following the party, the Woods and their guests left for the dinner dance at the Menlo Circus club.

* * * *

The Saturday dinner dance was reportedly a large success. Seen at the occasion in small groups were **Pat** and **Grant McMeur,** with **Betty** and **Ewing Shoemaker,** and **Don** and **Lucy Hampton** in conversation with **Graham** and **Millie Adams** and **Dave** and **Judy Davis.**

Judy and **Jim Zellerbach** have returned from a camping trip to the high Sierras. Their three-year-old daughter, Ann, accompanied her parents on the vacation trip. Four month old son, Paul, was left at home but reassured by a promise that next year he might be old enough to enjoy a vacation too.

Atherton Couple See National Park Area

The Grand Tetons national park near Yellowstone was the vacation destination of Mr. and Mrs. Earl R. Jessee recently.

The couple packed fishing and housing equipment in a small trailer and drove through California, Nevada and Idaho to explore the area which was new to both of them.

Mr. Jessee, a successful fisherman, caught 14-inch trout to provide four dinners which Mrs. Jessee barbequed over an open fire.

While at Grand Tetons, the Jessees took a 15-mile hike to Lake Soltitude, where more beautiful scenery was found for their color camera and their color film vacation sights file.

INDEPENDENCE DAY

The Fourth of July was improvey by the addition of a new member to the family of Mr. and Mrs. Thomas Reynolds of 1457 San Antonio street, who welcomed a baby boy at Sequoia hospital in Redwood City.

VISIT CONGRESSMAN

Recent visitors at the Washington offices of Congressman J. Arthur Younger were Mrs. Margaret Bermejo and Dean E. Holman, both residents of Menlo Park, it was reported by the congressman in his "newsletter."

ON THEIR HONEYMOON

VALERA STEELE is helped from the car by her father, Charles P. Steele as she reaches the Woodside Village church to take marriage vows last Saturday with Celestin Jean Francois Casau.
—Anita Fowler photo

Valera Lee Steele of Atherton was claimed as bride Saturday afternoon by Celestin Jean Francois Casau of Iseste, France as marriage vows were repeated before the Rev. Charles H. Hudson in Woodside Village church.

Valera, the daughter of Mr. and Mrs. Charles P. Steele and granddaughter of Mrs. E. L. Harbert of Atherton, donned a wedding gown of ice-blue nylon tulle made with a fitted bodice and full ballerina skirt. An ice-blue fingertip veil was attached to a tiny bonnet-cap with blue tulle roses on each side.

The bride carried an old-fashioned bouquet centered by white daisies with yellow and blue daisies around the edges and satin streamers and frill.

Maid of honor, Miss Vickie L. Chevassus of Redwood City and bridesmaid, Miss Elayne Faylor of Menlo Park wore similar gowns of white dotted swiss organdy over pastel yellow taffeta with a matching white sash. They carried cascade bouquets of blue daisies.

Celestin is the son of Mrs. Pierre Casau of Iseste and the late Mr. Casau. He has one sister, Mrs. Georges Arouge and two brothers, Jean and Joseph Casau.

He received his schooling at Cours-Arudy and Ecole Professionelle at Pau, France before joining the French army where he was a paratrooper in Africa and France.

Valera attended Sequoia high school and San Mateo junior college.

Dominique Arua served as best man for the ceremony while the bride's brother, Thomas, and George Chaput acted as ushers.

A reception for the married couple was held at the Atherton home of the bride's parents and was attended by about 100 guests. Decorations included arrangements of daisies floating in the pool and bouvardia groupings around the three-tiered wedding cake. Toasts to the couple were made in the patio.

A going away outfit of white silk print with stole and black patent asseccories with a white hat was donned by Valera before the couple left for a southern California honeymoon. The couple were driving a new car which was a wedding gift.

Upon returning to the Peninsula the newlyweds plan to make their home in San Carlos.

Local Man Is Keynote Speaker at Convention

Wallace E. Ott, his wife and two children, Amertee, 15 and Chuck, 12 have returned to Menlo Park after a three weeks' vacation and business trip to Canada.

The main purpose of the trip was to participate in the Aetna life insurance company annual convention. This special occasion, 100th anniversary of the company's founding, was set in Banff Springs hotel, Alberta, Canada. Three hundred representatives from the United States attended the affair.

Mr. Ott was the keynote speaker at the convention and addressed the insurance representatives on business subjects.

While in Canada, the Ott family stopped in Calgary to witness the Calgary stampede, the largest rodeo in the world.

Other side trips on the vacation included Lake Louise, Jasper national park, Vancouver, and Victoria island. It was the first time the family had traveled to that region.

NEW MASTER STEDMAN

On June 29, at Sequoia hospital, Mr. and Mrs. John Stedman of 48 Oak drive, Atherton, welcomed a baby boy at Sequoia hospital.

Marsha Bull of Oregon Is Atherton Houseguest

Miss Marsha Bull of Tigard, Oregon, has been the house guest of Patricia Christian (Encinal eighth grader), 87 Laurel avenue, Atherton, for several days.

The girls accompanied Patricia's parents, Mr. and Mrs. C. L. Christian, on a trip to Southern California, where they attended the dedication of the new $8,250,000 terminal that the city of Los Angeles built and turned over to a navigation company. Other sightseeing included a trip to Tiajuana, Mexico.

Bill Christian, Menlo-Atherton high school, '54, is presently with the U. S. F. service in Shasta county for the summer. His unit took over during the recent Mendocino county fire, arriving as the burned bodies of the 15 men were being carried out.

Bill's address is U. S. F. S., Loftus, Shasta county, California. He would enjoy mail from his local friends.

Camp Woodhaven

By PAT BARR

(Written as a letter to her mother)

Dear Mom,

It is certainly hard to believe that the second session at Woodhaven has started and already everything is in full swing. This time the Pack Rat unit began activities by taking a hike to Pretoria on the second morning, and just after the wake-up gong we could hear them shouting "Good morning, Woodhaven!" Their voices echoed and re-echoed through the redwoods. It was quite an experience for the "yearlings" especially.

Each unit has made many plans. These were thought up around their own campfires the very first night the girls were here. Some of the definite plans include night swims (they are lots of fun), lodge parties with a huge fire in the big fireplace, overnights, and breakfast and dinner cook-outs. Every girl has lots of special things to do, including crafts.

Saturday night we had our main campfire and all the units assembled with their leaders. The staff was introduced to the new campers and for the first time they met Woodie, camp director; Uncle Barney (the MAN of the camp); David Hedge from Redwood City, his hard-working lieutenant and a swell guy; Mrs. Ruth Baker from Berkeley, the ever-popular cook, and Miss Mildred Erickson from Spokane, Washington, the nurse. Then Uncle Barney prestented the girls with their yearpins.

In order to receive a yearpin a Girl Scout must come to camp at least two years. It is a great honor to receive them. This session the Menlo girls awarded pins were:

Second-year: Janet Messini, Janet Furbush, Loretta Gananian, Pat Vartanian, Joan Wickstrom, Pamela Davenport and Cathy Gomes; fourth-year: Susan Estberg and Frieda Karns; fifth-year: Jane Gardner; sixth-year: Diane Wickstrom.

Later on I can tell you more about a play we are going to put on toward the end of this camp session. It is going to be "Peter Pan." Don't you think Woodhaven is a perfect setting for the story?

Tell Carol Hampton and others from the Wing Scout Blue Angels to write to us. Diane and Pat would like to hear from them.

Love to all,

—Pat.

MP Family Returns From Oregon Vacation

A two-week vacation of fishing and camping was recently taken by the Edward Hunt family of Menlo Park.

Mr. and Mrs. Hunt and their three boys, David Carr, 13, Philip Carr, 11, and Steven Hunt, 5, all drove to Sweet Home, Oregon for the highlight of their trip where they visited Mrs. Hunt's brother, Edward Cardwell and his family.

While Mr. Hunt fished for trout at Clear lake and nearby streams, Mrs. Hunt toured Portland and did some shopping and sightseeing.

From SweetHome, the family viewed the Salem Soap Box derby to watch Mr. Cardwell's son, Stephen, come in second in his race heat.

Give your friends time to answer

The people you're calling may not be near the phone when it rings. Especially during these summery days when barbecues and outdoor living are so popular. To give your friends a good chance to get to the telephone why not let it ring at least a full minute. They'll appreciate your thoughtfulness. And you'll avoid the disappointment of an incompleted call.

MP Boy Represents San Jose State College

R. Lewis Johnson of 605 Oak Knoll lane, Menlo Park, has enrolled in the third biennial Management Training Seminar of the Lambda Chi Alpha fraternity on the DePauw university campus from August 23 to 28.

Johnson is affiliated with the Lambda Chi Alpha fraternity at San Jose State college and will attend the seminar as an official delegate from that chapter.

The seminar will host more than 300 undergraduate delegates and visitors, representing the 147 chapters of the fraternity at colleges and universities in 45 states and four Canadian provinces who are expected to attend the seminar.

Lambda Chi Alpha holds the prestige of being the largest international college social fraternity in the world and was founded at Boston university in 1909.

The San Jose State chapter is one of the more active fraternities on campus and each year sponsors one of the main collegiate activities—the Lambda Chi Alpha push-cart relays.
